Phil Garrett will be our speaker for the DFAA November 4, 2009, 9:30 AM meeting at the North DeKalb Cultural Arts Center. He graduated from the University of South Carolina, and the Honolulu Academy, studying under Gabor Peterdi. He received his BFA at the San Francisco Art Institute in 1974. His work is in numerous public and private collections, including the Bank of America, and the State Collections of South Carolina and Hawaii. He is represented by Hodges-Taylor Gallery, Charlotte, North Carolina, Fresh Paint in Culver City California, and the Pelter Gallery in South Carolina. He joined the Golden Artist Colors Working Artist Program eight years ago. In October 2005 and 2006, he taught workshops on Acrylic Painting Methods in Art Schools in Osaka, Tokyo, Nagoya, Kyoto, and Fukuoka Japan sponsored by Golden Acrylic and Turner of Osaka. His prints and paintings are in public and private collections in the USA, Europe and Japan.

At the meeting Phil Garrett will explore the new surfaces for painting and collage created with Golden's Glass Bead Gel, Translucent Molding Pastes, Fiber Paste (paper in a jar), and Crackle Paste. He will include the application of mixed media to create layering effect for painting using metallic paints, and stencils.

Garrett will explain transferring digital and ink jet images onto a variety of flat surfaces, i.e. non-porous papers, acetate, acrylic skins, even aluminum foil using Golden OPEN Acrylics to achieve a variety of effects using gels and additives.

The President's Message

Greetings! At this time, you should be getting your work ready for the Fulton County Library exhibit in Downtown Atlanta and an exhibit at the Church of the Atonement on Highpoint Road. Next month, if you have any paintings left, there will be another exhibit for you to participate in. In December Dunwoody Fine Art Association will be exhibiting at the Fulton County Library branch in Sandy Springs.

During the month of October 7 our members participated in a workshop given by Lynn Weisbach. DFAA sponsors workshops by some of our presenters to give you, the members a chance to grow artistically by studying with these very talented leaders. Lynn taught us how to add texture to our paintings. Attendees used both Acrylic and water-color paints during the two day workshop.

The President's Message (Con't from Page 1)

Next time there is a workshop, why don't you sign up to participate? It is a great way to spend time with fellow DFAA members and learn some new techniques, or refresh some that have been unused for a while. Workshops are a great way to try things out for yourself. You might not need a certain technique in your repertoire at any given moment, but, you can never have too many. Especially with all these exhibits coming up!

Next month, there will be a presentation at the meeting sponsored by Golden Acrylics. Golden manufactures paints, additives and grounds. Personally, I have found their grounds useful for painting with other media in addition to acrylic. Phil Garrett, is knowledgeable and entertaining. Come and join the fun!

Over the next few weeks, the board will be finishing up its task of talking to every member of DFAA. We want to make sure that you think we are taking the organization in the right direction. When a member calls you with the questionnaire for polling, be honest and tell us what you think!

If for any reason, there is something about DFAA that you feel needs addressing please do not hesitate to contact me 770-xxxxx or bflexner@hotmail.com.
