The Dunwoody Fine Art Association is pleased to present the second annual Dunwoody Fine Art Month, February 2010.

Dunwoody Fine Art Month celebrates the fine arts in the city of Dunwoody. Last year there were works by 38 artists in many venues throughout the city. The first Dunwoody Fine Art Month was one of the first proclamations by the new City of Dunwoody. This year more than 40 artists are participating.

Artwork will be on display at many businesses around Dunwoody to showcase the talents of local artists. A list of their names will be available at each location showing a Dunwoody Fine Art Association (DFAA) participation poster. Lists will also be available at the Dunwoody Chamber of Commerce, 5518 Chamblee-Dunwoody Road, Dunwoody, GA 30338.

Displays will include traditional two and three dimensional media as well as work created using digital media. Come visit and enjoy the myriad exhibits. Artwork is for sale. A percentage of sales will benefit Dunwoody Stage Door Players.
